NB100 NB100-014

PLL10C-01402U

The 8.9" little wonder from Toshiba is the essence of decades of experience in building quality laptops and opens new horizons for your online lifestyle. At just 1,050 g, the NB100 is small and light enough to take everywhere. And within its robust stylish case, it built to be your companion for all your mobile digital activities: surfing the web wirelessly, sending and receiving emails, working on documents, and enjoying music, photos, and movies and sharing them with others. Physically small it may be but we packed it with all our expertise and with the latest innovative technology like the Toshiba TruBrite Backlight Display and the Toshiba USB Sleep-and-Charge function. And of course we went for a proper HDD of up to 160 GB. And because it from Toshiba you can trust it to deliver. The new Toshiba NB100 from a brand you can trust.
