

## G502 - Phone summary

### Up to speed. Up to date.

Stay updated, wherever you go. The G502 gives you email and Web access on the move. High-speed 3G or HSDPA provides the connectivity power you need.

### News updates - on your screen

Get the latest news from your favourite Web sites sent to your phone. The RSS desktop widgets bring the updates straight to your phone screen.

### And here's the weather

Sunscreen or raincoat? G502 knows. Your phone has a weather application that gives you 3-day weather forecasts - wherever you are.
